

BASHAR LUTFI MAKLAD

Signage Fabricator & Installer / Senior Designer

Nationality: Syrian • Residency: Lebanon (with family) • Phone: +961 71 033 625 •

Email: basharartgraphic@gmail.com

PROFESSIONAL SUMMARY

Highly experienced Signage Designer and Fabricator with over 20 years of hands-on experience in the advertising and signage industry. Skilled in creative design, laser cutting, metal and acrylic fabrication, and full project execution — from concept and design to final installation. Strong ability to lead teams, develop brand identities, and deliver innovative visual solutions for businesses and events. Currently based in Lebanon with my family and seeking new professional opportunities.

EXPERIENCE

Senior Designer

2013 – Present

Fine Ads Est. – Aley, Lebanon

- Managing the design department and developing visual identities for companies and events.
- Designing advertising interfaces, exhibition stands, and product display units.
- Creating 3D concepts and determining the best fabrication methods for durable, modern results.
- Supervising production from concept to delivery, ensuring quality and client satisfaction.

Creative Director

2009 – 2013

Marksys Co. – Khobar, Saudi Arabia

- Directed the design department and developed branding for over 250 companies in various sectors.
- Created unified corporate identities and uniform designs for companies and factories.

Design Supervisor

2008 – 2009

Technical Seminar Institute – Dammam, Saudi Arabia

- Supervised the Design and Public Relations Department.
- Managed marketing and media projects, developed visual identities, and advised on advertising strategies.

Graphic Designer & Sign Maker

2006 – 2008

Fine Ads Est. – Aley, Lebanon

- Designed and produced illuminated and 3D signage, acrylic and PVC displays, and exhibition stands.
- Worked on composite panels, wood, and stainless steel advertising structures.

Sign Maker

2004 – 2006

SATA Agency – Tripoli, Libya

- Designed and fabricated illuminated signs and 3D lettering.
- Produced advertising displays and stands from concept to installation.
